

K-LOVE serves our family as a local resident in Santa Clara County. It would be an unfortunate loss to the well being and education of our family if we no longer had K-LOVE as a resource for our family. K-LOVE serves the greater community by providing information on family issue's, resources for every member in the family. It would be a loss for all of those who currently use and enjoy K-LOVE, and a loss for those who have not yet discovered K-LOVE.
